AVIZE AMBONNAY Aÿ

Launch of the new vintage cuvée

Triptyque

A bold approach to vintage champagne, the link between terroir and precision oenology

Inspired by the family's Grands Vins, the Cellar Master, Guillaume Lété, takes up the challenge of creating a vintage cuvée each year by blending the same three Grands Crus: **Avize**, **Ambonnay** and **Aÿ**, selected for their complementarity in keeping with the House style.

Triptyque 2018 reflects precision viticulture. Only 80 ares were selected to reflect the conditions of this vintage: 40 ares in Avize, 20 ares in Ambonnay, and 20 ares in Aÿ. The bold choice of blending these three Grands Crus in the same proportions each year highlights the climatic variations that characterize these terroirs over time.

"This new cuvée reflects our innovative approach to vintage champagne. Each year, we take up the challenge of selecting the best plots in the Grands Crus of Avize, Ambonnay and Aÿ, to capture the climatic variations specific to each vintage. This is a challenging exercise, which demonstrates our determination to combine terroir and precision oenology."

2018, a sunny and generous vintage

Data : Comité Champagne

2018 in Champagne was marked by a succession of exceptional weather conditions. The campaign began with a wet winter followed by a warm, stormy spring, which rapidly accelerated vine growth. The dry, sunny summer allowed the grapes to ripen to perfection, ideal for the harvest at the end of August.

As a result, 2018 produced an abundant harvest, both in terms of quantity and quality, revealing the complexity and richness of the cuvées produced from this vintage.
